

Annual Field Trips Permission Slip

Students at Discovery Public School will be participating in several field trips and activities as part of their classes, including visits to the Water Treatment Plant, the landfill, walks to the Straight River Trail, or other local locations. By signing the permission form below, you will be giving your permission for your child to attend all trips assigned for their classes for the entire 2020-21 school year. This “one time” permission form will alleviate the need for you to sign permission for each trip. At any time you may also deny permission for your child to attend any individual trip by submitting a note to our Director; Dan Weisser.

If we do not have a signed permission slip on file, your child will not be able to participate in any field trips or activities that requires transportation provided by DPS.
